

Strong4Life Certified RDs

The registered dietitians included in our RD Referral Network earned the title of Children's Healthcare of Atlanta Strong4Life Certified RDs by completing the Essentials of Child and Adolescent Weight Management Training Program. This training is designed to enhance knowledge and skills in the area of pediatric overweight/obesity assessment, prevention and management.

Unless otherwise noted, these dietitians are currently accepting pediatric weight management referrals. When available, insurance plans accepted are listed.

** Click the name of your county on the map below to see the registered dietitians in your area.*
